*Tuesday 20th October 2026 at 18:00 – 20:00 Rome time (GMT+2)
German Room (C269), FAO Headquarters, Rome, Italy / Zoom*

We are pleased to invite you to the upcoming Annual Network Meeting on 20th October 2026.

At this meeting, we will gather inputs from relevant high-level stakeholders, report on activities undertaken across the Network since our last Annual Meeting and discuss priorities and plans for the year ahead.

We invite you all to share information on actions taken in support of [the Network's mission](#), as well as any planned initiatives going forward. If you would like to take the floor, please inform the Secretariat prior to the meeting.

The meeting will also provide an opportunity to discuss how we can continue to mobilize strong actions, strengthen collaboration, and increase knowledge and awareness of sustainable aquatic food systems and their role in food security and nutrition. Together, we will identify priorities and concrete steps to advance the Network's objectives in the coming year.

The Network Meeting will be hybrid. Those who have access to FAO Headquarters (Rome) may join the meeting on-site, while others may join online via Zoom.

Please contact our secretariat, foodfromtheocean@hi.no, if you have any questions or comments.

We look forward to welcoming you at the meeting!
